

CITY COUNCIL: 2025 Somerville Municipal Questionnaire Addendum

1. Which of the following groups have you chosen to reject / would reject campaign contributions from?
 - a. For-profit developers
 - b. Fossil fuel executives or lobbyists
 - c. Charter school advocates and lobbyists
 - d. Police union

I do not accept contributions from real-estate developers, fossil fuel companies, or corporate PACs

2. Will you withhold your vote in favor of a zoning change until there is an agreement between the relevant Neighborhood Council and the developer for a Community Benefits Agreement and Project Labor Agreement? **YES / NO**
3. Will you help local activists collect signatures for the [current Homes for All's Initiative Petition for statewide rent control](#)? **YES / NO**
4. Will you commit to walk picket lines and speak at rallies in support of Somerville municipal workers who are bargaining for a fair and equitable contract? **YES / NO**
5. Will you advocate to prioritize unionized municipal workers for public works projects over non-unionized private contracting? **YES / NO**
6. Will you vote to reduce the police budget to increase funding to the Somerville Public Schools (SPS), Office of Housing Stability, and an unarmed, community-based emergency response program, separate from the Somerville Police Department (SPD)? **YES / NO**
7. Will you advocate to update the Memorandum of Understanding (MOU) between the SPD and the SPS to limit police presence in schools as laid out in the [People's Policy MOU](#)? **YES / NO**
8. In addition to the offices on the ballot this November, Somerville voters will also see a Palestinian Solidarity ballot question. How do you plan to vote on the question? **YES / NO** And how would you work to ensure that Somerville's contracts and investments align with Somerville's values?

I will work on divesting from ALL companies that violate human rights.
