

Progressive Massachusetts Membership Information Form

When you become a paying member, or renew your membership, you are making our work together as progressives possible! People like you make the difference – people who build the progressive movement with your raised voices, your skills, and your support.

The progressive movement is strongest when it is open to everyone ready to fight for our shared causes, so anyone can become a member for just a \$5 annual contribution. However, grassroots organizing takes work and funds. Please consider donating more.

All memberships are for individuals and are valid for 12 months from the date of the most recent donation.
